KEYNOTE

LIEUTENANT ROBERT HAYES is a nationally recognized speaker who has worked in law enforcement for over thirty years and is currently a Lieutenant with the Albany, Oregon Police Department. As a Drug Recognition Expert (DRE), he is trained to recognize impairment in drivers under the influence of drugs other than, or in addition to, alcohol. As a leader and skilled law enforcement professional, he embraces transparency and communicates openly with internal and external stakeholders to build and maintain collaborative partnerships, develop solutions to problems and increase trust in police.

As a result of this presentation, the participant will be able to:

- Provide general knowledge related to drug impairment (signs and symptoms)
- Go over the seven drug categories and show examples of drugs and drug paraphernalia
- Provide current drug trends, particularly with youth
- Give current data on drug use and abuse with youth
- Provide information on vape pens

ABOUT THE PRESENTERS

Drug Enforcement Agency (DEA) Agent Tyler Kroenke is an Investigator for the Nebraska State Patrol. He has been on the Patrol for over 11 years. Currently he is assigned to the DEA Tactical Diversion Squad as a Task Force Officer where his primary focus is investigating crimes pertaining to the diversion of illicit pharmaceutical controlled substances. Other assignments include investigating drug overdose deaths and dark net investigations. **As a result of this presentation, the participant will be able to:**

- Identify current trends and statistics of pharmaceutical drug use in Nebraska communities and schools
- Recognize signs and symptoms of pharmaceutical drug overdose and impairment and how to reverse the side effects
- Identify methods teens use in order to obtain pharmaceutical drugs
